

We Wanna Get P-CEF Passed

tune of Hard Day's Night

We wanna get P-CEF passed, and we've been workin' like a dog

We wanna get P-CEF passed, thousands of signatures is a slog

But when we raise a ruckus
to win climate justice
You know, we feel all right.

Bridge:

Side by side, we're able to fight the good fight
Side by side, victory is within sight, sight, yeah!

Verse 2

You know, we work all day
to get P-CEF on the ballot
It's about this town we love
but it's also about our planet

When we raise a ruckus
to win climate justice
You know, we feel all right
