

LUTHERANS RESTORING CREATION

CARING FOR CREATION TRAINING: Gracefully Greening Every Area of Your Ministry

Saturday, May 14, 2011

9:30 a.m. - 2:30 p.m.

Peace Lutheran Church

210 NE 9th Street, Pendelton, OR 97801

The Oregon Synod of the ELCA, Lutherans Restoring Creation and EcoFaith Recovery are partnering to train congregations to integrate Care for Creation into all aspects of their ministries. This Biblically grounded, grace-filled approach will equip a group of 4 – 8 people from your congregation in a positive process that will enable your members to gradually green every area of ministry including worship, education, building/grounds, home/work, and public ministry. Your group will leave the training with an action plan to implement in your congregation.

To learn more or schedule an introductory presentation for your leaders, contact **Pastor Robyn Hartwig** at (503) 646-0629 x 211 or send an email to **PastorRobyn@aol.com**.
