Summary for state

State Name: Oregon

Subsidy Total: \$4,212,928,624

Number of Subsidies: 10,085

Notes:

The dollar total above adjusts for the fact that there is an overlap between the amounts in one or more Megadeal entries and those of one or more of the other entries. Dollar totals do not include awards for which no subsidy value is available.

[Learn more](#) about subsidy practices and controversial deals in this resource covering each of the 50 states and Washington, DC.

Top 10 Parent Companies	Total Subsidy \$	Number of Subsidies
Nike	\$2,021,632,907	7
Intel	\$1,132,515,215	24
Google	\$360,000,000	1
