

Oregon People's Climate March

Shemanski Park, Downtown Portland

1:00 p.m.

*The Earth is the Lord's and all that is in it,
the world and all who live in it. Psalm 24:1*

People of Faith – We have a moral responsibility

to take care of creation and preserve it for future generations.

to protect the most vulnerable from droughts, flooding and increased diseases caused by climate change.

to build an economy that creates good jobs, clean air and water, and healthy communities.

That's why, on Sunday, September 21, hundreds of thousands of people will march in New York City for a strong, international climate treaty, and thousands of us will march in solidarity in Portland at 1:00 p.m.
