

Coming soon!

Dig deep this Lenten season. Go below the surface into rich engagement with your place in God's good creation. Seven thoughtful writers—brought together in collaborative partnership with EcoFaith Recovery, Ecumenical Ministries of Oregon, and Eloheh Indigenous Center for Earth Justice—will meet you there. Immerse yourself in this Lenten devotional alongside Dr. Randy Woodley's new book *Becoming Rooted: One Hundred Days of Reconnecting with Sacred Earth*.

Inspired by Woodley's daily reflections, the contributors to

A Grounded Faith

invite you to join them in grappling honestly and vulnerably with Lenten themes as they relate to our relationship with Earth, with Indigenous worldviews, and with the beauty and vulnerability of this land and our place in it.
